Lesson 12 – The Right Process: Put On

We've seen that to change you must be born again, and that you need God's help. You must put off your sins by confessing and cutting them off, and you must renew your mind through God's grace. We come now come to the final step of biblical change: putting on. This is the stage where the believer seeks to put into practice the changes he knows he needs to make. In Romans 6-8, we have one of the longest explanations of how spiritual growth works. This passage gives us three metaphors of what our state is in Christ, and how that state should be practically lived out. Each picture states a reality that we have in Christ, and follows it up with a command to live out that reality practically. There is a healthy balance of indicatives (what is true) and imperatives (what we must do).

YOU ARE _____ TO SIN AND _____ TO GOD (6:1-14)

- 1. You must _____ that you are dead to sin (1-10).**
Many mistakenly think this passage gives them something to do, rather than describing something that has already happened.
- 2. You must _____ that you are dead to sin (11).**
The reality of our death to sin is hard to swallow at times, but it's true. This is why Paul tells us to "consider" or "reckon" it to be so.
- 3. You must _____ dead to sin (12-14).**
True belief will result in real action. Believing you are dead to sin must result in living dead to sin by not sinning!

YOU ARE _____ FROM SIN AND A _____ OF RIGHTEOUSNESS (6:15-23)

1. The _____ of Slavery

You will always be a slave to someone or something. You are either God's slave or sin's slave. There is no third option.

2. The _____ of Slavery

- **Slavery to sin results in rebellion.**
 - **Unrighteousness**
 - **Impurity**
 - **Lawlessness**

- **Slavery to God results in righteousness**

3. The _____ of Slavery

- **Slavery to sin is rewarded with _____.**
- **Slavery to God is rewarded with _____.**

YOU ARE NOT IN THE _____ BUT IN THE _____ (8:1-13)

At the end of chapter 7, Paul states that he sees a law in his flesh, that when he would do right, sin is present. At the beginning of chapter 8 he finds the solution: the law of the Spirit of life.

1. We must _____ in the Spirit, not the flesh, if we are saved (1-8).

2. We _____ in the Spirit, not the flesh, if we are saved (9-11).

In Galatians, Paul says we must walk by the Spirit. Here he says essentially the same thing when he says we must mind the things of the Spirit.

3. We must seek to _____ sin, by the help of the Spirit, if we are saved (12-13).

We are in the Spirit, so we must walk in the Spirit. We are dead to sin, so we must kill it. This same tension is seen in Colossians 3:3-5.
