**Hosea's Final Word**  
**Hosea 14:9, Overview of Book**

As we read the prophets, we often have to remind ourselves that this material is for us. While the New Testament reminds us of this on several occasions (Romans 15:4) and preachers are quick to make application, ancient writers don't always seem to be concerned about who will read after them. Hosea, however, wants us to know that his message is ultimately for any who reads his prophecies. We could sum up his book this way:

***God jealously pursues his unfaithful people when they abandon him for the worship of idols.***

But Hosea is transparent that this task won't be easy. Seeing how his prophecies apply to our lives is going to take wisdom, understanding, discernment, and knowledge. It's going to require faith, believing from the outset that God is right and choosing to follow his Word, or else we will stumble at what this often challenging and at times perplexing book will have for us.
