

Jehoram, Ahaziah, Athaliah: A Legacy of Evil

Lesson 12

I have no greater joy than to hear that my children walk in truth. (3 John 4)

Jehoram (2 Chronicles 21)

Jehoram lived a very different life than his godly king Jehoshaphat. Sadly, his evil wife was a greater influence than his godly father was.

- **Jehoram's _____ (21:1-7, 11)**
Jehoram began his reign by murdering his brothers and following after the ways of Ahab. He also built high places, having just about as awful a reign as you could imagine.
- **Jehoram's _____ (21:8-20).**
The main focus of this story is on how God addresses the wrongs of Jehoram. He allows military defeat, both successful revolt of those under him and attacks from others outside, as well as a painful disease and a death with no honor. Yet in all this, we never read of Jehoram humbling himself before God.

Jehoram (2 Chronicles 21)

Jehoram lived a very different life than his godly king Jehoshaphat. Sadly, his evil wife was a greater influence than his godly father was.

- **Jehoram's _____ (21:1-7, 11)**
Jehoram began his reign by murdering his brothers and following after the ways of Ahab. He also built high places, having just about as awful a reign as you could imagine.
- **Jehoram's _____ (21:8-20).**
The main focus of this story is on how God addresses the wrongs of Jehoram. He allows military defeat, both successful revolt of those under him and attacks from others outside, as well as a painful disease and a death with no honor. Yet in all this, we never read of Jehoram humbling himself before God.

Ahaziah (2 Chronicles 22:1-9)

Jehoram's son Ahaziah was just as wicked, and only reigned for a short time before meeting an untimely death.

- **Ahaziah's _____.**
We see a strong emphasis on the wrong counsel Ahaziah received. Because he listened to the wrong people, he did the wrong things, including continuing the nation in idolatry and partnering with Israel.
- **Ahaziah's _____.**
Ahaziah was in the wrong place at the wrong time and as a result paid for it with his life.

Athaliah (2 Chronicles 22:10-12)

As we come to Athaliah, we are coming to one of the lowest points in the whole History of Judah. Athaliah takes control of the throne and ends up killing her own grandchildren so that she will have no rivals to her power. The downward path that was started by Jehoshaphat's compromising position reaches its lowest point in the wicked reign of Queen Athaliah.
