Notes

- If you are going to be absent, please let me know via email – for my own sake, not b/c you've been irresponsible.
- Outreach: Pass out class rolls
 - Leaders – Be sure to be contacting those at your table occasionally, especially those who have been absent; if they have been absent for several weeks, talk to them to find out where they are at, even though it may be uncomfortable. Talk with Table Teacher about these folks – they may already have a relationship to build on
 - Leaders/Teachers – Outreach contacts discussed in January...
- Teachers: Are the weekly audio files serving their purpose? Improvements?
- Promote ABF study throughout the week via www.singlefocusindy.org/colossians.html.
